

Student Desks

Bent Leg

With rugged strength and a slight bend for eye appeal these offset pedestal desks provide a unique look to any environment. Continue to create your environment with a traditional metal book compartment. A more contemporary look is achieved with a wire shelf or solid shelf. Creating quality with today's ever shrinking budgets can be accomplished with your choice of Low pressure, High pressure or Cast Melamine Resin tops. With these choices made you will be in charge of arranging your environment to work the way you do.
