Round Leg

In today's world of styling and curves this round leg with a touch of European styling provides a unique look to any environment. Continue to create your environment with a traditional metal book compartment. A more contemporary look is achieved with a wire shelf or solid shelf. Creating quality with today's ever shrinking budgets can be accomplished with your choice of Low pressure, High pressure or Cast Melamine Resin tops. With these choices made you can create an environment to stimulate tomorrow's minds.
